

## **CONSTRUCTION ROUNDTABLE OF NEW JERSEY SEPTEMBER 16, 2016 CRTNJ MEETING REGISTRATION**

**CRTNJ Luncheon Meeting at Metuchen Golf & Country Club  
244 Plainfield Road, Edison, NJ 08820**

**11:00 A.M. – 11:30 A.M.: SAFETY FORUM & Registration  
WASTE MANAGEMENT: ONE COMPANY'S TREASURE;  
ANOTHER'S HAZARDOUS WASTE**

Almost everything we do generates waste, and it all has to go somewhere. This presentation will provide an overview of hazardous waste regulations and tips on how to minimize your hazardous waste. Included will be an opportunity to gain understanding in the handling of waste and how mishandling materials can change a material from either a hazardous material or universal waste to hazardous waste. This is important for worker's safety, protection of the environment, and minimizing project costs.

### **SAFETY FORUM SPEAKER:**

**Christina Faust, Senior Project Manager, Whitman, Cranbury, NJ**

**Christina Faust** has spent 15 years as an environmental specialist providing both technical expertise and project management experience to a diverse set of public and private clients nationwide. Her experience and focus has been on environmental investigation, remediation, safety and compliance across media including air, soil, groundwater, surface water and biota in support of research and regulatory projects. Her previous clients have included oil & gas, US Army, US Air Force, Army COE, regulatory agencies, utilities and chemical manufacturers. Ms. Faust is a member of the Society of Woman Environmental Professionals (SWEP) and is an active member of the West Orange's Emergency Response Team. Prior to her employment with Whitman, Ms. Faust lead PSE&G's Environmental Training Program and has also worked for NJ Department of Environmental Protection in the Bureau of Freshwater and Biological Monitoring.

### **CRTNJ LUNCH MEETING & PROGRAM**

**11:30 A.M.: Lunch Meeting Registration**

**12:00 P.M.: Lunch and Program**

### **AUDITING COST REIMBURSABLE CONTRACTS**

Are you paying the correct amount on your cost reimbursable contracts? Do you know? You have the ability to audit this and gain comfort that you weren't overcharged! – This presentation will provide an overview of auditing cost reimbursable contracts and provide techniques for assessing allowability of direct and indirect costs presented for reimbursement and common discrepancies found during the audit of cost reimbursable contracts.

### **SPEAKERS:**

**Brian Reingold and Michael Andriola  
Wiss & Co., LLP**

**Brian Reingold** has over 20 years of public accounting experience and a Partner in the Construction Services Group at Wiss & Co., LLP. As a construction industry expert, Brian has extensive experience in audit and tax and has performed a variety of consulting projects ranging from internal control set ups to construction dispute related services. He serves as the lead service provider for a number of the firm's construction industry clients. Highly regarded for his knowledge and business expertise, Brian provides value added services and solutions to clients.

**Mike Andriola** is a Partner in the firm, servicing a wide range of clients in the construction, real estate, and nonprofit arenas. He brings 15 years of public accounting experience to the table and is often called upon to find creative solutions to complex problems. His responsibilities include providing assistance in all areas of accounting, auditing, financial reporting, budget development, revenue and expenditure forecasting, and cash, debt and risk management. Within Wiss, Mike is actively involved in education and mentoring, regularly conducting hands-on training courses and seminars for professional staff. Mike is also a member of the Firm's Accounting and Auditing Committee where he is responsible for identifying new accounting and auditing pronouncements and determining the proper application of these pronouncements for current and prospective clients.
