The Construction Roundtable of New Jersey will be holding its Annual Scholarship Fundraiser Dinner on Wednesday, May 15, 2019. This event will take place at Johnson & Johnson World Headquarters in New Brunswick. Once again, we are counting on your support in raising funds that will benefit students planning to continue their studies at a four-year institution in New Jersey entering in construction-related fields including Engineering, Design, Architecture or Construction Management.

Last year was another outstanding year for the Scholarship Fund. We awarded six two-year scholarships at \$5,000 each. We had twelve generous sponsors of \$2,500 each plus all of the other attendees at the Scholarship Dinner last May that helped us achieve this. This year, once again, we are asking for your support. For those willing to donate the full scholarship stipend of \$5,000, we will attach your name to the student as their sole sponsor for the student's two years. For a donation of \$2,500, we will attach your name to an individual student jointly with another \$2,500 sponsor to round out the \$5,000 scholarship for the student's two years. Of course, we will enthusiastically accept donations at any level, as outlined below.

We have an interesting and exciting evening planned that we think you will enjoy beginning with our open-bar cocktail hour allowing plenty of time to network with colleagues, both owner and associate members. If you've been to our dinner before, we're sure you'll remember how pleasant and worthwhile this time spent is. Once again, we have an exciting and informative Keynote Speaker. The evening will be topped off with a student speaker who invariably provides a poignant description of how much the scholarship has helped them achieve their educational goals.

We value your support and you may provide it in several ways:

1. "Buy" a Table of 8 for the Scholarship Fundraiser Dinner
2. Attend the Scholarship Fundraiser Dinner
3. Make a Sponsorship Donation of either \$5,000 or \$2,500
4. Make a Donation at any Level

We look forward to seeing you and your spouses, friends and guests on May 15th. However, if you are unable to attend, we hope you will still show your support by giving a donation. We have attached registration and donation forms.

We know that being in school, studying, and the expenses are difficult times for the students, but the cause is an important one that gives us all an opportunity to give back to our community and promote the growth of our industry and help provide our industry's future leaders.

Thank you in advance for your support.

Sincerely,

*Daniel J. Kovach*, PSE&G
