11:30 A.M.: Meeting Registration & Networking
12:00 P.M.: Lunch and Program

PROGRAM:

THE CYBER THREAT – IMPACT OF RESPONSIVE INSURANCE

INTRODUCTION:

Chad Tyler Sorrell, Senior Client Executive

PRESENTER:

Adam V. Abresch, CIC, CCIC, CLCS, National Cyber Risk Practice Leader, Acrisure

Imagine, if you will, that a firm has implemented cyber security best practices to reduce the likelihood and possibility of a malicious attempt to damage or disrupt the firm's network or system. Then, despite this protective process, the firm's system is compromised. What can and should they do next to protect the firm's assets? The program will be a conversation covering:

- Noteworthy case studies from actual, reported breaches;
- Types and causes of cyber breaches;
- Recommended controls in place for effective response;
- Plan to protect firm's current and future assets;
- Impact of response on Reputational risk;
- Impact and value of responsive insurance to protect all of the above.

About the Construction Roundtable of New Jersey (CRTNJ)

The CRTNJ has been in existence for more than 40 years and is the only professional organization that focuses on the needs of New Jersey Construction project owners. Our Mission is to make New Jersey construction more competitive in the national and global marketplace, provide Members with a variety of robust presentations, workshops and forums to both educate and stay current on developing technologies, regulations, legislation, and industry best practices. The CRTNJ brings together corporations, universities, design firms, contractors, subcontractors, construction managers, professional service firms, trade associations and labor representatives to discuss and better understand how we can collaboratively work together, in a win-win environment, to address and resolve those issues that impede growth and profitability of the construction industry, as well as provide a competitive environment for companies to grow and prosper. Visit www.crtnj.org for more information.
