

CONSTRUCTION ROUNDTABLE OF NEW JERSEY (CRTNJ)

INVITES YOU TO JOIN US FOR OUR MONTHLY MEMBERSHIP LUNCH MEETING

FRIDAY, FEBRUARY 21, 2020

CRTNJ Luncheon Meeting at Metuchen Golf & Country Club
244 Plainfield Road, Edison, NJ 08820

11:30 A.M.: Meeting Registration & Networking

12:00 P.M.: Lunch and Program

WE HAVE TWO SEPARATE PRESENTATIONS AT THIS MEETING. AN UPDATE ON NEW REGULATIONS FOR UNREGULATED HEATING OIL STORAGE TANKS, AND OUR MAIN PRESENTATION ON THE PROGRESS AT NEWARK LIBERTY INTERNATIONAL AIRPORT TERMINAL ONE REDEVELOPMENT

BRIEF MEETING UPDATE: NEW REGULATIONS FOR UNREGULATED HEATING OIL STORAGE TANKS

PRESENTER: Michael Russo, Senior Vice President of Operations, Whitman

FEATURE PROGRAM: NEWARK LIBERTY INTERNATIONAL AIRPORT TERMINAL ONE REDEVELOPMENT PROGRESS UPDATE

The original Terminal A opened in 1973 and is the oldest terminal at Newark Airport. At the end of its useful life, Terminal A is also exceeding its capacity and can no longer meet today's demands for frontage, building and airside space. The new Terminal One will be a modern, state-of-the-art facility, is designed and to be constructed in a manner that it can meet traffic demands and technological changes. The Terminal One Redevelopment Program consists of a Design-Build Contract for the construction of the new terminal as well as several ancillary construction contracts to modernize the frontage roadways and airfield pavements, as well as the development of a CONRAC (Consolidated Rental Car Facility). This presentation will provide a current update to the progress of the program.

PRESENTER: MICHAEL C. WALLACE, P.E., LEED AP – CHIEF OF CONSTRUCTION – ENGINEERING DEPARTMENT - PORT AUTHORITY OF NY & NJ

Mike has 28+ years engineering experience in the Construction Management of Major, Capital Projects at all Port Authority Facilities. He began his career in the Port Authority as a summer intern in their Materials Engineering Unit and has held positions in the Construction Management Division in many PA Facilities including JFK and Newark Liberty International Airport, New York and New Jersey Marine Terminals, Hoboken Waterfront Development and many Regional Development Facilities. Most recently, he was the Deputy Chief of Construction before being promoted to Chief of Construction where he is responsible for directing and managing all construction work for Port Authority Capital and Operating Projects that are under the authority of the Chief Engineer. Mike is a licensed Professional Engineer in the State of New Jersey and a LEED Associate Professional.

About the Construction Roundtable of New Jersey (CRTNJ)

The CRTNJ has been in existence for more than 40 years and is the only professional organization that focuses on the needs of New Jersey Construction project owners. Our Mission is to make New Jersey construction more competitive in the national and global marketplace, provide Members with a variety of robust presentations, workshops and forums to both educate and stay current on developing technologies, regulations, legislation, and industry best practices. The CRTNJ brings together corporations, universities, design firms, contractors, subcontractors, construction managers, professional service firms, trade associations and labor representatives to discuss and better understand how we can collaboratively work together, in a win-win environment, to address and resolve those issues that impede growth and profitability of the construction industry, as well as provide a competitive environment for companies to grow and prosper. Visit www.crtnj.org for more information.
