

The Ferreira Family of Companies - April, 2017

From Small Company to Premier National Contractor

Under the leadership of Nelson Ferreira, Ferreira Construction transformed from a small construction company to one of today's premier national contractors. Nelson is a bold entrepreneur who embarked on his first business endeavor almost 30 years ago with the inception of Ferreira Construction.

Ferreira now has more than \$400 million in annual sales, over 1000 employees, national headquarters in New Jersey and regional offices in California, New York, Florida, Pennsylvania and Maryland. Nelson has built a core leadership team at Ferreira that has served Ferreira Construction in business development, market strategy, safety, diversification and growth efforts. In continuing with his vision of diversity and growth, Nelson has added Vanguard Energy Partners and most recently, American Pile to the Ferreira family of companies.

Ferreira is a nationally recognized leader in the construction industry, garnering numerous awards due to a proven track record of successful project execution, effective planning and emphasis on safety. A key component of Ferreira's success is an unwavering commitment to employees' workplace safety and education. Ferreira's culture encourages and supports all members of the Ferreira team to pursue additional training and certifications to keep the company on the cutting edge of innovation, technology and safety.
