Sponsorship includes recognition at podium, company logo on registration flyer, a table for company handouts or promotional material (pens, etc.), a 2-minute company "info-commercial" and a large sign at the registration table.

- Please charge the credit card above

About the Construction Roundtable of New Jersey (CRTNJ)

The CRTNJ has been in existence for more than 40 years and is the only professional organization that focuses on the needs of New Jersey Construction project owners. Our Mission is to make New Jersey construction more competitive in the national and global marketplace, provide Members with a variety of robust presentations, workshops and forums to both educate and stay current on developing technologies, regulations, legislation, and industry best practices. The CRTNJ brings together corporations, universities, design firms, contractors, subcontractors, construction managers, professional service firms, trade associations and labor representatives to discuss and better understand how we can collaboratively work together, in a win-win environment, to address and resolve those issues that impede growth and profitability of the construction industry, as well as provide a competitive environment for companies to grow and prosper. Visit www.crtnj.org for more information.

About the Engineers Club of New Jersey (ECNJ)

The Engineers Club of New Jersey is an equal opportunity membership-based organization that is open to all who are interested in participating. Most members are professionals in the engineering and construction industry but it's not mandatory. The Engineers' Club of New Jersey hosts annual events that are affiliated with many prominent national organizations. Each event raises funds for the Hope for Veterans non-profit organization to provide housing for Military Veterans of the U.S. Armed Forces, in addition to, The Valerie Fund non-profit organization that cares for children with cancer in the tri-state area. Education is important to all board members of The Engineers' Club of New Jersey and aspires to support education in the area with awarding annual scholarships to local engineering students. The Engineers' Club of New Jersey looks forward to continued success and providing all members with excellent networking opportunities to further their professional careers. website: <https://theengineersclubofnj.org/> or contact Vincent Pisano E-Mail: vpisano@cullencompany.com.
