Last year, not only were we able to award nine (9) scholarships, but we increased the amount from \$5,000 to \$6,000 for each two-year scholarship. We realized that after 20+ years at \$5,000, tuition and other costs had far outpaced our scholarship and we made the decision to increase the scholarship. This year for those willing to donate the full scholarship of \$6,000 we will attach your name to the student as their sole sponsor for the student's two years. For a donation of \$3,000, we will attach your name to an individual student jointly with another \$3,000 sponsor to round out the \$6,000 scholarship for the student's two years. Of course, we will enthusiastically accept donations at any level as outlined below.

**General Counsel**

Once again, we will have a renowned Keynote Speaker, Provost Dr. Anthony Lowman, Rowan University, and top off the night with a student speaker who we are certain will provide a poignant description of how much the scholarship has helped them achieve their educational goals.

We look forward to seeing you and your spouses, friends and guests on April 25th. However, if you are unable to attend, we hope you will still show your support by giving a donation. We have attached registration and donation forms.

We know that while in school and studying hard, tuition and expenses are difficult for students. The CRTNJ Scholarship is an important fundraiser that gives us all an opportunity to give back to our community and promote the growth of our industry and help provide our industry's future leaders.
