Dear CRTNJ Members and Supporters:

The Construction Roundtable of New Jersey will be holding its Annual Scholarship Fundraiser Event with Open Bar on Wednesday, April 29, 2026. The event will take place at Metuchen Golf & Country Club, 244 Plainfield Road, Edison, New Jersey at 3:00 P.M. - 6:00 P.M. We are changing the time of the event again this year and starting late afternoon instead of having an evening event. We hope this new change will help with family time.

We are counting on your support and generosity in raising funds that will benefit students planning to continue their studies at a four-year institution in New Jersey entering in construction-related fields including Engineering, Design, Architecture or Construction Management beginning with the academic year 2026-2027.

Last year, we were able to award eight (8) scholarships, and as we had done the previous year, we increased the scholarship amount from \$5,000 to \$6,000 for each two-year scholarship. For those willing to donate the full scholarship of \$6,000 we will attach your name to the student as their sole sponsor for the student's two years. For a donation of \$3,000, we will attach your name to an individual student jointly with another \$3,000 sponsor to round out the \$6,000 scholarship for the student's two years. Of course, we will enthusiastically accept donations at any level as outlined below.

1. "Buy" a Table of 8 for the Scholarship Fundraiser Event
2. Attend the Scholarship Fundraiser Event
3. Make a Sponsorship Donation of either \$6,000 or \$3,000 as noted above
4. Make a Donation at any Level

We have an interesting and exciting event plan that we think you will enjoy beginning with our open-bar cocktail hour allowing plenty of time to network with colleagues, both owner and associate members.

Our Keynote Speaker is Frederick Keating, Vice Chancellor of Strategic Academic Partnerships at Rowan University and to top off the event we will have a student speaker who we are certain will provide a poignant description of how much the scholarship has helped them achieve their educational goals.

We look forward to seeing you and your spouses, friends and guests on April 29th. However, if you are unable to attend, we hope you will still show your support by giving a donation. We have attached registration and donation forms.

We know that while in school and studying hard, tuition and expenses are difficult for students. The CRTNJ Scholarship is an important fundraiser that gives us all an opportunity to give back to our community and promote the growth of our industry and help provide our industry's future leaders.

Thank you in advance for your support.

Sincerely,

Daniel J. Kovach
